 - b. Field will be cut based on total pin fall for eight (8) games. Remaining bowlers will bowl a four (4) game block.
 - c. The field is then cut to the proportionate number of bowlers with the highest scores in each division based on entries. These bowlers will then bowl a four (4) game block.
 - d. The top five (5) bowlers (finalists) will be determined by the total pin fall for 16 games. These bowlers will then bowl match play stair-step position, starting with the fifth (5th) place bowler, who plays the fourth (4th) place bowler, etc.
 - e. The final match play game between the two finalists for the championship will be rolled on a neutral pair of lanes..
6. In case of a tie for finalist positions, there will be two additional frames rolled until the tie is broken. All other ties will result in a split of prize money. Prize ratio will be at least 1 prize for every 8 entries.
